Think small! Please do not send any 3-ring binders, pencil boxes, or other items that take up space inside your child's desk. If it is not on your list, please don't send it. They will have textbooks and other reading materials in their desks, so space is very limited.

Due to reduced classroom budgets, donations of the following would be greatly appreciated: #2 pencils, white copy paper, dry erase markers, index cards, sticky notes and Band-Aids.

Thank you!
